### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance claim 1 is that the prior art of record does not teach the torque clutch apparatus having first and second sandwiching members fitted to a shaft so as to sandwich a gear and to rotate integrally with the shaft and a spring arranged between a second gear rotatably screwed on the shaft and one of the first and second sandwiching members.

The limitations in the claims are not rendered obvious by any proper combination of the prior art known to the Examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
